Dr. Satpute K.L. (M.Pharm. Ph.D.)
 Principal, Dayanand College of Pharmacy, Latur

I welcome you to Dayanand College of Pharmacy & Dayanand Institute of Pharmacy which were established in the year 2009 & 2017 respectively under the dynamic leadership of the members of the Dayanand education society. Right from its inception, Dayanand Education Society has striven to provide quality education and develop competent technocrats who are socially sensitive and committed to excel at global arena. The institute has a glorious standing of 12 years and continues to evolve as the most reputed Pharmacy College not only in Latur but in Maharashtra also. Education plays a key role in the overall development of the society. The role of education is definitely not limited to giving and grasping knowledge and theory. The true goal of education transcends much beyond just awarding degree and certificate to the students. As Mahatma Gandhi said, "By Education I mean an all-round drawing out of the best in child and man-body, mind and spirit". The ultimate goal of education is the discovery of the meaning of life and the fulfillment of life and all mankind as well as for oneself. The quest of education is knowledge, humanity, culture, wisdom and sharpness but it should be noted that knowledge is not given but earned and character is not granted but cultivated. In covid situation Dayanand College of pharmacy not only focused on the theoretical curriculum, but also helps in the development of a student personality through conducting co - curricular & extracurricular activities like online seminars, international conferences, various workshops & e alumni interaction etc. Everything that makes a good institution are - a highly trained faculty, good library, placement cell, teaching methods, liberty to think and express themselves - we have it here. The objective of higher education in rural area is associated with employment as it ensures a positive attitude to see the universe from better angle and to analyze, determine and apply an individual's idea in a constructive development of society. I firmly believe that our Dayanand College of pharmacy is more than just a place to learn. It gives you a chance to grow by equipping with everything you need to achieve excellence. We have started P.G. Course in M Pharmacy Pharmaceutics and Quality assurance from academic year 2021 - 22 from current academic year we have started Pharmacology & Regulatory Affairs At Dayanand College of pharmacy we ensure that students get the best start to their future career to become smart and careful budding pharmacist of our glorious country, India. I wish all the students a grand success in their career and prosperity in their future life.

ABOUT DAYANAND EDUCATION SOCIETY

Dayanand Education Society (DES) Latur established in the year 1961 to impart the quality education in professional, technical and conventional courses to the students from rural and urban areas of Maharashtra. Members of DES have been serving society in educational, industrial & social sectors, DES is one of the premier and leading educational organizations striving hard to promote excellent education especially for socially and economically weaker sections.
